In the event that a farrier's services are

In Event of Horse Illness or Injury

Should the horse(s) become sick or injured, Trainer shall attempt to telephone the Owner immediately. If Owner does not immediately inform Trainer regarding measures to be taken, or if the state of the animal's health requires immediate action in the Trainer's opinion, Trainer is authorized to request the services of a veterinarian of his choice or to give any other attention that appears necessary. The Owner shall promptly pay all expense for all services.

Trainer's Right to Refuse Services
